## General guidance on project planning and evaluation

A guide to project planning and evaluation

DMSS Research (2016)

A short three-part guide from DMSS Research, containing step by step advice on using a Theory of Change approach to project planning and evaluation, collecting and analysing data and commissioning an external evaluation.

<http://www.dmss.co.uk/pdfs/Part-1-Project-Planning-and-Evaluation.pdf>

<http://www.dmss.co.uk/pdfs/Part-2-Collecting-and-Analysing-data.pdf>

<http://www.dmss.co.uk/pdfs/Part-3-Commissioning-an-independent-evaluation.pdf>

Creating your theory of change

Harries, et al. (2014)

A New Philanthropy Capital in-depth guide to developing and articulating a theory of change. It explains why it's important; who you need to involve in the process and how it can help you improve your strategy, measurement, communication and partnership working.

<http://www.thinknpc.org/publications/creating-your-theory-of-change/>

## Evaluating influence

Evaluating policy influence and advocacy

Better Evaluation (2017)

Web based information about 4 key influencing approaches: Advising, Advocacy, Lobbying and Activism and how their effectiveness can be evaluated.

[http://www.betterevaluation.org/en/themes/policy\\_influence\\_advocacy](http://www.betterevaluation.org/en/themes/policy_influence_advocacy)

A guide to monitoring and evaluating policy influence

Harry Jones (2011)

Written for NGOs in the international development field but also pertinent to the UK context

<https://www.odi.org/sites/odi.org.uk/files/odi-assets/publications-opinion-files/6453.pdf>

## A framework for public policy analysis and evaluation

Jens, M. (2017)

Powerpoint –focusing on evaluating attempts to influence policy.

<https://www.ies.be/files/070904%20Jans%20Policy%20Analysis.pdf>

## Outcomes Map: Politics, Influence and Participation

Copps, C and Svistak, M (2013)

One of a series of outcomes maps produced by New Philanthropy Capital to help projects think about the outcomes they are trying to achieve and how they can measure success.

<http://www.thinknpc.org/publications/outcomes-map-politics/>

## Evaluating the impact of training

Reason (2013)

An excellent guide from Reason, NFER and Research in Practice about what helps and hinders the transfer of training into actual changes in practice - and how you can find out if it is working.

[http://www.reason-network.org.uk/wp-content/uploads/2013/10/re\\_G27\\_Evaluating\\_training\\_impact.pdf](http://www.reason-network.org.uk/wp-content/uploads/2013/10/re_G27_Evaluating_training_impact.pdf)

## User involvement, voice and co-production

### User voice: Putting people at the heart of impact practice

Hestbaek, C. et al. (2016)

A practical guide to harnessing the views, needs and involvement of beneficiaries. It suggests that the best-practice way of adopting a user voice approach is to integrate it into a charity's impact practice. This is a way for organisations to become both more user-led and more evidence-based.

<http://www.thinknpc.org/publications/user-voice-putting-people-at-the-heart-of-impact-practice/>

### Service user involvement with offenders in the community: A toolkit for staff

Revolving Doors (2016)

This toolkit was written for probation service providers but is a really straightforward guide for *any* service that wants to involve their service users in the management, design and delivery of their services.

<http://www.revolving-doors.org.uk/file/1861/download?token=mj5AoJXw>

### Outcomes Map: Politics, Influence and Participation

Copps, C and Svistak, M (2013)

One of a series of outcomes maps produced by New Philanthropy Capital to help projects think about the outcomes they are trying to achieve and how they can measure success.

<http://www.thinknpc.org/publications/outcomes-map-politics/>

## Statistics on sexual and domestic violence and abuse

### Rape Crisis England & Wales headline statistics 2016-17

Rape Crisis (2017)

<https://rapecrisis.org.uk/statistics.php>

### Women's Aid Key statistics

Women's Aid (2017)
